### **Animal Health Industry Webinar Set for April 19th**

DALLAS, March 24, 2017— Brakke Consulting, Inc. will present a two-hour webinar entitled “What’s Driving the U.S. Animal Health Industry” on Wednesday, April 19 from 10 a.m. to 12 p.m. CDT.

Presented by senior consultants John Volk and Cary Christensen, DVM, the two-hour presentation will include insights on industry growth, perspectives on leading companies, plus current issues impacting the industry and veterinary practice. The webinar will address both the food animal and companion animal markets as well as key findings from several recent studies. The webinar is interactive; participants will have the opportunity to ask questions.

The cost of the webinar is \$395. To register, go to [www.BrakkeConsulting.com](http://www.BrakkeConsulting.com) and scroll down to the “What’s New” area on the lower right-hand side of the home page. The deadline for registering is Monday, April 17th.

Brakke Consulting is the leader in consulting in the Animal Health and Nutrition industry. Our diversified and experienced group of consultants helps us stay up to date on what’s happening in our field and enables us to provide our clients with the best consulting services available.
